

When I [Taylor C. Bybee] was a teenager, my grandfather [Andrew Robert Bybee] told me a story that his grandfather [William Velesco Bybee] told him about his grandfather [David Bowman Bybee]. When David was young - perhaps age 10 or so - he and his father [Bryam Bybee] met The Prophet Joseph Smith on the street in or near Nauvoo. The Prophet lifted David onto his horse with him and rode around for a moment.
